SHORT TALKS BY
L. T. COOPER.

THE STOMACH.

My but peoples' stomachs do cause a
lot of trouble. I offered to wager some
doctors in St. Paul, Minn.,
that one half of
all sickness is
caused by the
stomach. After
I assured them
that my medi-
cine did nothing
but put the
stomach in shape
and they had
spent a day list-
ening to what
people who called
on me had to
say, they had to
agree with me. They heard people come in
and tell me that for years they had been near
the grave with Bright's disease, or lung
trouble, or kidney complaint and all man-
ner of diseases and that the New Discovery
had cured them. Of course these people
were mistaken, it was nothing but their
stomachs. As a matter of fact when the
stomach gives out most everything else is
thrown out of order too.

C. H. POWELL.

When a person feels tired and dull and
despondent, is loosing flesh and don't
sleep well, has a poor memory, a bad
taste in the mouth, a coated tongue, and
other troubles he's liable to believe a lot
of things are the matter with him. Nine
chances to one it's his stomach. I've
seen Cooper's New Discovery bring back
health to too many people in just this
shape to believe anything else. Here's a
letter about it:

"I suffered for a long time without
knowing just what was the matter with
me. I seldom felt like eating. I lost
greatly in weight. My digestion was ex-
tremely poor and when I did eat I
invariably suffered afterward. I was con-
stituted and frequently suffered from nerve
racking, violent headaches. When I heard
of what the Cooper remedies were doing
for others I resolved to try them."

"Relief came with the first bottle. My
appetite and digestion improved rapidly.
I am no longer constipated nor do I have
those dreadful headaches. I sleep well
and am gaining flesh." C. H. Powell, 13
Harrison Addition, Duluth, Minn.

We are selling immense quantities of
these medicines and our customers express
great satisfaction.

If any one has any doubt as to the
virtue of Foley's Kidney Cure, they
need only to refer to Mr. Alvin H.
Stimpson, of Williamantic, Conn., who,
after almost losing hope of recovery, on
account of the failure of so many reme-
dies, finally tried Foley's Kidney Cure,
which he says was "just the thing" for
him, as four bottles cured him com-
pletely. He is now entirely well and
free from all the suffering incident to
acute kidney trouble. H. P. Dunn &

GUATEMALAN REVOLT

Mexican Official Predicts That
It Will Soon Break Out.

TOLEDO TO START UPRISING

Rebel General Will Cross Honduras
With Sixteen Thousand Men—First
Step Toward Federation of Central
American Republics.

City of Mexico, May 9.—That a
revolution will break out in Guatemala
within thirty days is the statement of
an official who has every point of the
present embroglio well in hand. Gen-
eral Toledo, who will be commander of
the movement, it is stated, is now at
Managua conferring with President
Zelaya of Nicaragua. The signal for
the advance will come when Mexico
severs diplomatic relations with
Guatemala. General Toledo will cross
Honduras with about 16,000 men.
Arms and ammunition are already as-
sured.

At the same time a force which this
same authority says will probably be
led by Colonel Orla will penetrate
Guatemala from the Mexican border
in Chiapas. It is declared that this
movement will be the first step to-
wards the federation of the Central
American republics and that the man
who will succeed Cabrera as president
of Guatemala will last in that capacity
for a short time, being later made gov-
ernor of the state of Guatemala, a por-
tion of the new federation.

According to a high Mexican official
who for obvious reasons desires that
his name be withheld this government
has learned that a state of affairs ex-
ists in Guatemala which if made
known would shock the civilized
world. This information was con-
veyed to the government by refugees
who have just arrived. As most of
these left families in Guatemala they
begged that their names be not used
as they declared to do so would make
involuntary murderers out of them.

As soon as the attempt on the life
of Cabrera was made, officers of his
government indiscriminately arrested
men, women and children. Most of
these were from the best families of
the republic and many were accounted
former friends of the president. The
jails are filled and temporary jails are
being utilized. In some cases prison-
ers enter their place of incarceration
and are never heard of again.

It's too bad to see people who go from
day to day suffering from physical
weakness when Hollister's Rocky Moun-
tain Tea would make them well. The
greatest tonic known. 35 cents, tea or
tablets. H. P. Dunn & Co.

ARGUMENTS CONCLUDED.

Judge Landis Considering Standard
Oil Rebate Case.

Chicago, May 8.—The arguments for
a new trial in the case of the govern-
ment against the Standard Oil com-
pany, in which that corporation was
recently convicted in the federal court
of accepting illegal rebates, have
been concluded. Judge Landis an-
nounced that he would not give his
decision for several days.

Of all the fruits there are in the land,
That grow on bush or tree,
I would give up the choicest ones

WILL STAND TOGETHER.

Steamship Companies Will Resist De-
mands of Employees.

New York, May 8.—Representatives
of the transatlantic steamship com-
panies, against which a strike for higher
wages has been declared, met in con-
ference and decided, according to a
statement made subsequently, to re-
fuse the advance asked and stand to-
gether in the fight with their former
employees.

Following the conference one of
those who had taken part in it said:

"We have affirmed our previous un-
derstanding not to increase the pres-
ent rate of wages. The action of the
men in striking without giving more
than thirty minutes' notice was unfair
as was their failure to see the officials
of the lines and lay their demands be-
fore them before quitting work. The
steamship lines will stand together in
the fight."

The strikers expressed themselves
as confident that they would be able
eventually to tie up all the transat-
lantic traffic. If the men succeed in
no more than upsetting the sailing
schedules by causing frequent delays
in sailings the situation at this season
of the year when the travel is espe-
cially heavy would be serious.

Warm Days

Are sure to come

Many seasons have been back-
ward but warm days have always
come even though they were behind
schedule time. This season will be
no exception. Warm days and warm
rains will soon chase this cold away.

When this change does occur you
will want garments for
There will be others who wait until
the weather arrives before they pre-
pare for it and the result will be
that you will not be able to secure
what you want in haste. You've
seen it that way hav'n't you? Buy
now.

Saturday is always a great day at our store and
tomorrow will be no exception whatever. We are
at a loss to know how to improve the store. Our qual-
ities are just right and our prices are most reasonable.

Then there are BARGAINS. You must not forget
the Coat Bargains we advertised a few days ago; nor
the host of bargains in dry goods to be found in the
Bargain Basement. The store is complete in every
particular, so come out Saturday.

Little Trouble Anticipated.

Philadelphia, April 29.—May day,
which marks the beginning of the
fiscal year in labor circles, promises
to be passed in this city with little
friction between workmen and em-
ployers. With few exceptions the
agreements under which the union men
are working are acceptable and trouble
is not anticipated.

Labor Situation Bright.

New York, April 29.—The opening of
the out-of-door construction season
finds New York, both city and state,
without apprehension of serious labor
troubles. In the building trades, es-
pecially prosperous and reassuring
conditions prevail. The labor situa-
tion is regarded as brighter than for
many years.

Artists have no trouble in securing
models. The famous beauties have dis-
carded corsets and have become models
in face and form since taking Hollis-
ter's Rocky Mountain Tea. 35 cents,
tea or tablets. H. P. Dunn & Co.

SENDS STRONGER NOTE.

Mexico Calls on Guatemala to Deliver
General Lima.

Mexico City, May 8.—According to
the state department the Guatemalan
question remains unchanged. Minis-
ter of Foreign Affairs Mariscal denied
emphatically that diplomatic relations
between the two countries had been
broken off or that the preliminaries
for such a contingency had been
planned.

Mexico has sent another and a
stronger note to Guatemala insisting
upon the delivery of General Jose
Lima, accused of instigating the mur-
der of General Manuel Lisandro Bar-
rillas, and also insisting upon the
sending of Colonel Onofre Bone as a
witness in the Barrillas murder case.

Beware of Ointments for Catarrh that Contain Mercury.

Mercury will surely destroy the sense of smell
and completely derange the whole system when
entering it through the mucous surfaces. Such
articles should never be used except on prescrip-
tions from reputable physicians, as the damage
they will do is ten fold to the good you can pos-
sibly derive from them. Hall's Catarrh Cure,
manufactured by F. J. Cheney & Co., Toledo, O.,
contains no mercury, and is taken internally,
acting directly upon the blood and mucous sur-
faces of the system. In buying Hall's Catarrh
Cure be sure you get the genuine. It is taken
internally and made in Toledo, Ohio, by F. J.
Cheney & Co. Testimonials free.
Sold by druggists. Price 75c per bottle.

Costly Fire in Chicago.

brick building located at the corner of
Washington and Canal streets, occu-
pied by Morley Bros., wholesale deal-
ers in saddlery and hardware, has
been destroyed by fire. Loss, \$300,-
000.

wounding her. He then shot and se-
riously wounded Corporal Watson of

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Brainerd Citizen Can Afford To Ignore.

Danger signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys secrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

Danger signal No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Brainerd proof:

Philip O'Neal, of 516 Norwood St., Brainerd, Minn., says: "Brainerd people have seen in the local papers the testimony I gave in 1890 recommending Doan's Kidney Pills, and many times I have been called upon to corroborate that statement in personal interviews. My confidence in Doan's Kidney Pills has not been lessened during the past six years. It has shown itself equal to all the claims made for it. I was a sufferer for a long time from backache and pains in the loins. The kidneys were too frequent and much disordered. The trouble became worse and worse and nothing helped it until I got Doan's Kidney Pills at H. P. Dunn & Co.'s drug store. I used this remedy faithfully until the annoyance from the kidney secretions ceased and the pains and backache disappeared. The cure then effected has been most gratifying and altogether permanent."

FELL AND BROKE HIS SHOULDER

Henry Betzhold Fell From Scaffold and Injured his Shoulder
This Afternoon

HE WAS A CAR REPAIRER

Taken to the Northern Pacific Hospital on Engine—Hurts Not Dangerous

Henry Betzhold, residing at 715 South Broadway, and employed in the Northern Pacific car shops as a car repairer, was injured while at his work shortly after resuming labor after the noon intermission. He was repairing a car and working on a scaffold. In some way he made a misstep or his foot slipped and he fell, striking on his shoulder. He was placed on a stretcher and taken on the "Dinky" engine and rushed to the Northern Pacific hospital where his injuries were attended to.

JUDGE NEEDS DICTIONARY

Dispute Over Origin of Word Chiropractor in Case Involving Former Brainerdite in Seattle Court

A Seattle paper of recent date has the following regarding the trial of A. M. Johnson, formerly of this city. Mr. Lajoie, his partner, was from Superior, and is a brother of Louie Lajoie, formerly of this city:

"The case of W. L. Lajoie and A. M. Johnson, who style themselves chiropractors and naturopaths, and who were charged with practicing medicine without a license, was tried before Judge Hinkle yesterday. The charges were preferred by W. T. Birdsall, representative of the state medical board.

"The several witnesses who had been brought to court made the place look like a ward of a hospital. Mr. Birdsall conducted the case for the state. Although he had several witnesses there, nearly every one's testimony was in favor of the defendants' success in treating disease.

"W. D. Scott, attorney for Lajoie and Johnson, and W. D. Birdsall got into a dispute over the origin of the word 'Chiropractor.' Attorney Scott said it was Greek, while his opponent claimed it was a 'catch-penny' word. Judge Hinkle called for a dictionary but one could not be found. The case was continued to May 6, and a dictionary will be procured during the interim."

Letter to Mr. J. L. Camp, Brainerd, Minnesota

Dear Sir: You understand chemistry; how'd you like to earn \$1,000? Devote lead-and-zinc—that's the name of our paint that takes fewer gallons than mixed paint and wears twice as long as lead-and-oil—is made of white-lead, white-zinc, its color, turpentine dryer, and linseed oil.

If any chemist finds any adulteration in this paint we'll pay his bill and \$1,000 besides.

It's nobody's business what we put in our paint, of course; but we want it known. For lead-and-zinc and linseed oil, ground together by machinery, are the stuff to paint with; and lead-and-oil mixed by hand is not.

We want it known that one word describes the best paint in the world; and that word is Devco.

Are you going to paint? Yours truly, F. W. DEVCO & Co. New York and Chicago.

Charles M. Patek sells our paint.

HAVING A JOLLY TIME

Passengers on the Slavonia Publish Paper Under Euphonious Title of "Monkey-House"

THE DISPATCH in receipt of a new exchange. It is the "Slavonia Monkey House" and the one at hand is No. 23 of volume 23 and was published on April 23. Rev. Arthur Chase is editor in chief. Among the special writers is W. H. Koop, whose department was, according to the editorial sub head, "Town Tooth Picks," but none appeared in the issue received. The rest of the crowd had evidently made Will lay off to give them a chance to get even. Among the wants we find: "Wanted—Anyone who can keep up with Billy Koop. He's the limit." Under the head of "Personals" appears this item: "Papers of adoption have been executed by Mrs. —, the charming little widow of the Bay state. It's a boy named 'Little Willie' of the Gopher state, and now Willie runs to 'ma' for advice and pin money." Among the heavy editorials was this announcement. "Billy Koop has announced that when he reaches Naples something funny is going to happen. It seems to the editor that there have been no dearth of happenings in Koop's path for the past two weeks. He's no sleeper."

Kidney complaint kills more people than any other disease. This is due to the disease being so insidious that it gets a good hold on the system before it is recognized. Foley's Kidney Cure will prevent the development of fatal disease if taken in time. H. P. Dunn & Co. mwfdw

PREPARING PLANS

I. U. White at Work on Plans and Estimates for Building Which may be Built This Summer

I. U. White is at work on plans and estimates for a two story brick block which C. N. Parker is considering the advisability of erecting on the corner of Front street and Broadway. The building if erected and according to the plans under preparation will contain four store rooms fronting on Broadway, the upper story to be fitted up into four flats of six rooms each. Mr. Parker states that he does not know yet what he will do in the matter but gave Mr. White the job to keep him out of mischief. The building, if built, will certainly be a great addition to that end of the city.

WOMEN PAY MORE.

Why Insurance Companies Discriminate Against the Gentle Sex.

Medical examiners of insurance companies say that the reason a woman pay more the privilege of insurance than a man, is from the fact that women readily fall victims to indigestion and stomach troubles and the fatal ailments that spring from these causes.

All persons, they say, who have a weakened digestive system and suffer from sick headache, dizzy spells, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness, and the many other symptoms of indigestion soon lower the tone of the whole system and are most susceptible to a fatal illness.

For curative power in all stomach troubles, nothing else is as safe yet effective, nothing else can be thoroughly relied upon to relieve all troubles from indigestion as Mi-o-na. It is unlike any remedy heretofore known and is really one of the valuable discoveries in modern medical science.

It is not the acute attacks that influence the insurance examiners alone, but the constant feelings of weakness, headaches, indigestion and stomach troubles—these things, physicians say, kill more people than many more serious diseases.

To escape this condition of ill health, to enjoy one's food and yet never suffer with indigestion, a person should use Mi-o-na stomach tablets. They are not a mere digestive tablet, but strengthen and restore to natural action the stomach and bowels and effect a complete cure in even the worst form of stomach troubles.

H. P. Dunn & Co. sell Mi-o-na in 50-cent boxes under a guarantee to refund the money unless it does all that is claimed for it. wft3

REFUSED LICENSE

Application of P. E. McCabe for Saloon License Near Deerwood Rejected by County Commissioners

When the application of P. E. McCabe for a saloon license on ground adjoining the village of Deerwood came up for consideration at the meeting of the county commissioners Tuesday H. J. Hage and C. H. Adams, of Deerwood presented a remonstrance containing 85 names. It is said that only three voters in the community refused to sign this paper. It and the arguments of Messrs. Hage and Adams were effective and the commissioners refused to grant Mr. McCabe the desired license.

Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a flower which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. Few young women appreciate the shock of the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate womanly organs, so surely when these organs are established in health the face and form at once witness to the fact in renewed comeliness. More than a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. It is made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and make its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve, nicely adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.

Bad Symptoms. The woman who has periodical headaches, backache, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without pelvic catarrh, is suffering from weaknesses and derangements that should have early attention. Not all of above symptoms are likely to be present in any case at one time.

Neglected or badly treated and such cases often run into maladies which demand the surgeon's knife if they do not result fatally. No medicine extant has such a long and numerous record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a strong professional endorsement of each of its several ingredients—worth more than any number of ordinary non-professional testimonials. The very best ingredients known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol,

harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle-wrapper and attested under oath as complete and correct.

In any condition of the female system Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system and especially the pelvic organs. When these are deranged in function or affected by disease, the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened, and a long list of bad, unpleasant symptoms follow. Too much must not be expected of the "Favorite Prescription." It will not perform miracles; it will not cure tumors—no medicine will. It will often prevent them, if taken in time, and thus the operating table and the surgeon's knife may be avoided.

Doctor's All Agree. The most eminent writers on *Materia Medica*, whose works are consulted as authorities by physicians of all the different schools of practice, extol, in the most positive terms, the curative virtues of each and every ingredient entering into Dr. Pierce's Golden Medical Discovery. In fact it is the only medicine, put up for sale through druggists for the cure of all diseases of the mucous surfaces, as nasal catarrh, throat, laryngeal, and bronchial affections attended by lingering, or hang-on-coughs that has any such professional endorsement—worth more than any amount of lay or non-professional testimonials.

Do not expect too much from the use of Dr. Pierce's Golden Medical Discovery. It will not work miracles. Nor is the "Discovery" so good for a sudden attack of acute cough, but for the lingering, obstinate, hang-on-coughs, accompanying catarrhal, throat, laryngeal and bronchial affections, it is a most efficacious remedy. In cases accompanied with wasting of flesh, night-sweats, weak stomach and poor digestion with faulty assimilation, and which, if neglected or badly treated are apt to lead to consumption, the "Discovery" has proven wonderfully successful in effecting cures.

The formula is printed on every wrapper of "Golden Medical Discovery," attested as to correctness under oath, and you can't afford to accept any substitute of *unknown composition* for this *non-secret remedy* no matter what selfish interests may prompt the dealer to urge such upon you. In fact it is an *insult to your intelligence* for him to do so. You know what you want and it is his place to supply that want.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over 40 years ago. Much imitated, but never equalled. They cleanse, invigorate and regulate stomach, liver and bowels, curing biliousness and constipation. Little sugar-coated granules—easy to take as candy.

Dr. Pierce may be consulted by letter free of charge. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

Dr. Pierce's Medical Adviser (1000 pages) is sent free on receipt of 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound copy. Address Dr. Pierce as above.

When the Nerves Are Played Out.

Suicide, insanity, falling sickness, paralysis. These are some of the results of worn-out nerves. No one would neglect a disease so dreadful in its results as nervous exhaustion if the danger were only realized with the first symptoms.

The time to begin the restoration of the nerves by the use of Dr. A. W. Chase's Nerve Pills is when you find yourself unable to sleep at night, suffering from headaches or neuralgic pains, indigestion or weak heart action.

Loss of flesh and weight, growing weakness and debility, a tendency to neglect the duties of the day, gloomy forebodings for the future, are other indications of depleted nerves.

You cannot liken Dr. A. W. Chase's Nerve Pills to any medicine you ever used. They are a nerve vitalizer and tissue-builder of exceptional power.

Naturally and gradually they rekindle life in the nerve cells and form new red corpuscles in the blood—the only way thoroughly to cure nervous disorders. Dr. A. W. Chase's Nerve Pills, 50 cents, at all dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y.

WILL DECIDE FATE OF DUMA

Congress of Social Democrats to Be Held in England.

St. Petersburg, May 8.—News of the doings of the Russian Social Democrats who have been making vain endeavors to hold a congress in Sweden, Norway and Denmark, and who are now on their way to England where they purpose to meet in conference, is awaited here with the utmost anxiety. As it is generally recognized that the fate of the lower house of parliament will depend upon their decision upon the proposal to force a dissolution of the duma.

M. Golovine, president of the duma, who is thoroughly cast down as a result of the conflict with the Social Democrats and chagrined at the hostile criticisms of members of his own party, was last week strongly inclined to throw up the sponge and resign. Leading members of the Constitutional Democratic party, however, now hope to induce him to reconsider this matter and remain at his post as long as there is no fresh outbreak of disorders.

OF INCENDIARY ORIGIN.

Fire at Barnesboro, Pa., Supposed to Be the Work of Black Hand Gang.

Johnstown, Pa., May 9.—Fire almost wiped out the business section of Barnesboro in this county, entailing a loss approximating \$90,000. Great excitement prevails in the place and a detachment of the state constabulary has been rushed to Barnesboro from Punxsutawney.

The fire is believed to be of incendiary origin and following so closely the arrests of 100 foreigners on charges of being implicated in Black Hand operations the authorities will keep under surveillance all the members of the Italian colony until the exact cause of the fire can be ascertained. No arrests have as yet been made.
